2023

PA AVIATION

IT WASN'T EASY

Happy to say we are in line

ACCOMPLISHMENTS

- Proposed tax credit program could spur development at Pennsylvania airports
 - Greensburg Tribune Review December 19th 2022
- Aerium Summit -Bringing together aviation industry leaders, students, and educators for three days of collaboration, unique insights & networking.
- Transportation Advisory Committee Study

DOWN THE RUNWAY

What does the future hold in store

TEMPERED GROWTH

- A common sense approach to the Aviation Industry
- Electrification Vehicles and Aircraft
- More Air Service
- Cargo
- Drone capabilities
- More infrastructure (Hangars)
- Better communication of needs / Present and Future

THANK YOU

- A mile of road will get you a mile.
- A mile of runway will get you the world!
