RE: HB 140

Dear Sen. Langerholc:

We have been requested by staff of the Senate Transportation Committee to provide feedback on HB 140, PN 387. We have reviewed the content of the bill and its potential impacts on traffic, safety and parking operations. As currently drafted, the Philadelphia Parking Authority has no opposition to HB 140.

The Authority appreciates the request to review HB 140 and submit comment to the Committee. Should you wish to discuss further details concerning the prospective implementation of the bill please feel free to contact me.

Sincerely,
The Philadelphia Parking Authority
